COMMENTS

1. Cumulus Licensing LLC ("Petitioner"), permittee of Channel 244A, Humboldt, Nebraska, by its counsel and pursuant to Section 1.415 of the Commission's Rules, hereby submits its Comments in the above captioned proceeding. *See Notice of Proposed Rule Making*, ("NPRM"), DA 05-2943, released November 10, 2005. The *NPRM* proposed to substitute Channel 245C2 for Channel 244A at Humboldt, Nebraska, reallocate Channel 245C2 to Valley Falls, Kansas as that community's first local transmission service, modify the construction permit accordingly and allocate Channel 256A at Pawnee City, Nebraska.

2. On November 8, 2005, the Petitioner amended its Petition for Rule Making.¹ In the amendment, the Petitioner proposed (i) the deletion of Channel 244A at Humboldt, Nebraska, and allotment of Channel 245C2 to Effingham, Kansas (instead of to Valley Falls, Kansas) as that community's first local service, and, (ii) allotment of Channel 272A to Humboldt, Nebraska. The Petitioner's proposal to allocate Channel 256A at Pawnee City, Nebraska as that community's first local service remained unchanged.

¹ This amendment was necessary due to pending acquisitions by Cumulus that will have an effect on Cumulus' ownership in the area. The amendment will enable the Petitioner to be in compliance with the Commission's multiple ownership rules. The amendment appeared on Public Notice on November 25, 2005 (Report No. 2744).

3. In the *NPRM*, the Commission requested that the Petitioner provide additional information to demonstrate that Pawnee City is a community for allotment purposes. Pawnee City is an incorporated city listed in the 2000 U.S. Census with a population of 1,033 persons. *See* Exhibit 1. Therefore, Pawnee City is presumed to have the status of a community for allotment purposes. *See Arnold and Columbia, California*, 7 FCC Rcd 6302, ¶ 12 (1992). The United States Postal Service associates the zip code 68420 with Pawnee City and operates an office in the city. Pawnee City has several businesses, churches, a city government, a library, a volunteer fire department and various other community indicia. The city website <www.pawneecity.com> promotes Pawnee City as “the best little town in America.” The city was incorporated in 1857. The city government is composed an elected mayor and four city council members who each serve staggered four-year terms. The city has a city clerk, engineer, fire chief and parks and recreation department. Pawnee City Public Swimming Pool is operated by the city government. The Pawnee City Carnegie Public Library serves the city and surrounding area. According to Carol Glatara, the Pawnee City Deputy Clerk, the city bills local residents for water, sewer and sanitation. The Pawnee City Public Schools provides public school education to the residents of the town. Pawnee City Municipal Airport is operated by the Pawnee City Airport Authority. *See* Exhibit 1.

4. Pawnee City is the county seat for Pawnee County. The County government has several departments and offices located Pawnee City including Board of Commissioners, Sheriff, Assessor, County Attorney, County Clerk, Treasurer, Assessor District Court, Weed Superintendent and Zoning Administrator. The Pawnee City Chamber of Commerce and Pawnee City Development Corporation are located in the city who work together to promote the industrial development of the city. Among the businesses located in Pawnee City include the following: Pawnee Auto Mart, Adobe Grill, Pawnee Inn Café, Pawnee Self Storage, Benson

Construction, Union Bank & Trust, Pawnee True Value and Pawnee Iron Works. The Pawnee Republican Newspaper is published in Pawnee City covering local news and other items of local interest. Pawnee County Memorial Hospital and Pawnee County Rural Health Clinic are located in Pawnee City. The following churches are located in Pawnee City: Faith Baptist Church, United Methodist Church, Zion Lutheran Church, Christian Church and Presbyterian Church. See Exhibit 1.

5. The Petitioner hereby reaffirms its interest in providing a first local transmission service to Effingham, Kansas, Pawnee City, Nebraska and Humboldt, Nebraska as stated in the petition. If the amended petition is granted, Petitioner will file an application for Channel 245C2 at Effingham, Kansas, Channel 256A at Pawnee City, Nebraska and Channel 272A at Humboldt, Nebraska and will construct the facilities as authorized if each application is granted.

6. Accordingly, Cumulus Licensing LLC urges the Commission to grant the amended petition.

Respectfully submitted,

Welcome to the best little town in America!

Education

Welcome to Pawnee City, Nebraska, the best little town in America! Pawnee City is a great place to live and work. We are big enough for quality services and small enough to care. People in Pawnee City enjoy a "quality of life" that few small towns afford.

Lifestyle

Calendar

Pawnee City is located about 70 minutes southeast of Lincoln, 90 minutes south of Omaha and about 3 hours northwest of Kansas City.

Bus. Directory

Named for the Pawnee Indians that crossed the county from west to east in the early days, the picturesque area lays amid gently rolling hills and the smooth flowing contours of farmland. Some of the most beautiful scenery in the midwest can be seen in the spring and fall as the landscape blossoms into full color. Outside of our great city is also a hunter's paradise as some of the best deer, wild turkey, pheasant and quail hunting in the state can be found.

Our people make the difference in Pawnee City. We are as independent and proud as the early settlers, yet few towns will enjoy the caring and kindness that our people share with each other. When people say "I'm from Pawnee City," they do it with pride.

Pawnee City is the county seat of Pawnee County and is a town with a very interesting history. It's on the National Registry of Historic Places with 56 different properties included in the district. Although a fire burned down most of the small town in 1881, nearly everything was rebuilt of brick in the Italiante Style and has many good examples of major architectural styles popular during the Victorian Period. Six blocks of the historic business district even have Victorian lighting as they did in the early 1900's. The first governor of the State of Nebraska was from Pawnee City. David Butler was elected in 1867 when Nebraska first became a state. His house has been moved to the Pawnee City Historical Society Museum and restored to look like it might have been in 1867, complete with some things donated by the family.

The future is bright for Pawnee City. In the last five years we have enjoyed a renaissance that few other cities our size could accomplish and enjoy. We have a new Prairie Hill Sports Complex with three new baseball and softball fields. A new state-of-the-art running track has been added to our school's sports complex. The city pond has been completely rebuilt and will soon have camping sites. Our hospital is one of the best in the state and recently enjoyed a million-plus dollar expansion and remodel. Our downtown business district has also been rebuilt with new street paving, sidewalks and utilities. We have recently added new retail stores and many of the older buildings have been and are in the process of being remodeled.

If you like what has happened in Pawnee City, the best is yet to come! "Quality of Life", continues to be the theme that our city is focusing on for a bright future. A new paved walking/biking trail will soon be built from the downtown area to our new Prairie Hill Sports Complex. A new \$2 million dollar fitness/community center is being planned for. This new facility will add an indoor swimming pool, weight room, child care center, locker rooms, basketball arena and community room to
